

**Night Optics USA, Inc.**  
**Export Statement of Understanding**

I, \_\_\_\_\_, being an official of the company identified below (hereinafter referred to as COMPANY) or the individual (hereinafter referred to as INDIVIDUAL) identified below, am aware of the restrictions imposed in the **Code of Federal Regulations, Title 22, Parts 120-130, commonly referred to as International Traffic in Arms Regulations, (ITAR)**. These regulations are issued by the United States Department of State, under the authority of Section 38 of the Arms Export Control Act (22 USC 2778) and govern the export of articles, services and technical data identified on the U.S. Munitions List. All night vision and thermal equipment systems, components, goggles, and weapon-sights of Generation, 2, 2+, and 3, as well as certain thermal products, infrared artifacts, illuminators and aimers, are currently identified as U.S. Munitions items.

**You are strongly urged to contact the Office of Defense Control at (telephone) 703-875-6644.** It is specifically acknowledged by COMPANY or INDIVIDUAL that it is fully aware of these export restrictions, and that it understands that Night Optics USA, Inc. shall not be the exporter, either directly or indirectly, of any controlled item on behalf of COMPANY or INDIVIDUAL. COMPANY or INDIVIDUAL specifically disavows any responsibility on the part of Night Optics USA, Inc. for any cost, expense or loss, of legal action resulting from any violation of United States of America laws of regulations governing the export of night vision systems, components, goggles, weapon-sights and technology, as well as infrared artifacts, illuminators and aimers.
